Langley Larder will provide the majority of general equipment required to serve and present your meal including supervision of the catering for your day, crockery and cutlery. Linen is also available for hire.

If you would like to discuss your requirement in further detail please do not hesitate to contact us for an informal chat or email an outline of your event.

All our food is freshly made on the day of your order and then delivered in a refrigerated van to maintain its freshness. We only use first rate ingredients and wherever possible we locally source to reduce our carbon footprint. We pride ourselves on offering a very wide choice of menus and will be happy to discuss any bespoke menus or special requirements you may have. Please remember all our menus are flexible, so if you see an item in one menu and you would like to swap it for another just give us a call. We can cater for vegetarians, vegan, gluten free and other dietary needs. Please discuss your requirements with us.
